Few can doubt the current strength and depth of the FIM Motocross World Championship, with this having been reinforced last year when the series incredibly managed to deliver no less than eighteen events to decide the eventual champions despite the restrictions and challenges created by the pandemic.

This was a truly amazing feat and reflects the strong collaboration between all the stakeholders involved to make this happen.

With conditions around the globe continuing to change the 2021 FIM Motocross World Championship continues to adapt with the aim to run to its full potential with eighteen rounds once again planned.

After the initial encounter in Russia, the action then moved onto Great Britain, Italy, The Netherlands, The Czech Republic, Belgium, Latvia, a double header in Turkey and a trip to Sardinia.

The second half of the 2021 season begins in Germany, ahead of visiting France, Spain, Portugal and Italy.

Obviously, everyone involved is aware of the ongoing situation regarding the pandemic and is ready to further adapt in order to once again

deliver a full programme. We truly hope, as the situation continues to improve, that fans will be able to add that special final ingredient to this amazing line up of tracks throughout the year. Further information regarding spectators for each event will be announced in due course.

More so than ever, especially taking into account the additional challenges that need to be conquered I would like to thank our promoter Infront Moto Racing on behalf of the FIM for their huge efforts to ensure the ongoing success of the series during this period of disruption.

Equally I would also like to extend my sincere gratitude to all the local organisers, national federations, FIM officials, volunteers, riders, teams, media, sponsors and fans. Each and every one of these stakeholders remains so important to the overall project and to keeping MXGP at the highest level possible.

Jorge Viegas
FIM President

Dear MXGP Friends,

Finally, after the long winter break we are able to run our favorite sport again. The 2021 MXGP season will probably be one of the most intense of the history with 19 events in 7 months. After passing the middle of the season, the championship is giving a lot of promises and we witnessed a very disputed competition with beautiful races. Despite the very challenging times and all the difficulties to organize international sporting events, all our organizers and the federations are working very hard with us to be able to deliver the best and most complete season possible. MXGP's presence on the various media platforms is continuing to attract a lot of interest worldwide.

Not having the possibility to host public last year has increased our exposure on Social Media even more, with Facebook reaching more than 3 Million fans, Instagram counts more than 1 Million followers, YouTube MXGP channel continues to grow with more than 260,000 subscribers and counting. Since last season we have also started to provide the news highlights in different languages (Spanish, Italian, Indonesian).

Finally, we launched for this season a bright new MXGP-TV.com platform for all the fans of MXGP to be able to watch all the races LIVE anytime, anywhere.

But coming back to 2021, we are very enthusiasts that the situation will soon come back to normality. The first rounds of the season allowed us to host public again.

It is a great pleasure to bring the MXGP to Sardegna in Riola Sardo. I would like to thank the Sardinian Tourism Council and specially Mr. Giovanni Chessa for all his support for making the Grand Prix possible. Sardegna is very well known worldwide for its beautiful landscapes and paradise beaches, but this weekend, it will also be broadcasted all around the world for the most popular Off-Road series, the MXGP. The deep sand of Riola Sardo will give a lot of challenges to all the top riders of MXGP and MX2! During this weekend, we will also host the final of the EMX65cc and EMX85cc European Championships. Finally, I would like to thank the FIM, the FIM Europe, all our partners, manufacturers, teams, riders, organizers, medias for their great support and collaboration which allowed MXGP to become the most popular off-road motorcycling Championship in the World.

See you all in Riola Sardo!

Once again, as it happened in the past, Italy welcomes the MXGP and MX2 series with open arms and this time it is thanks to the efforts of the whole Department of Tourism of Sardinia, led by Mr. Giovanni Chessa, that we are heading to one of the most beautiful islands in the Mediterranean, Sardinia.

Sardinia, one of the most awesome Mediterranean paradises, by the end of Summer will host a stop of the 2021 FIM Motocross World Championship as MXGP and MX2 series are paying a visit to one of the most talked Italian tracks, Riola Sardo. Thanks to the event promoter Infront Moto Racing together with Giovanni Chessa, the FMI and the local authorities, the Sardinian MXGP is a dream come true.

We must bear in mind how much passion the Italians put into anything they organize. Part of their soul goes into it, they live it, it becomes part of their daily routine so it goes without saying that the Sardinian event is going to offer us, MXGP followers, the very best essence of the sport we love so much where all the title contenders will make the Italian and the-rest-of-the-world-MXGP fans thrill at every single corner of the track.

I am sure that when everything is over, we will start to look forward to coming back next year as one may think of those unforgettable holidays that you would like them to last forever.

FIM/CMS Director

Con il "Gran Premio – MXGP Sardinia" che si terrà dal 18 al 19 settembre 2021 nel rinnovato tracciato di gara presso Riola Sardo (OR), la Sardegna è lieta di accogliere il mondiale di motocross che per la prima volta nella sua storia fa tappa nell'isola. Un evento prestigioso che consentirà ad oltre 5000 spettatori di assistere dal vivo ed in piena sicurezza, alle acrobatiche evoluzioni dei più grandi campioni di motocross al mondo.

Ancora un evento di assoluto prestigio, in una delle zone più belle e meno conosciute della nostra Isola, nell'ambito del già ricco cartellone di Manifestazioni Sportive volute da questo Assessorato con l'obiettivo di destagionalizzare i flussi turistici e di fare della nostra Isola una destinazione appetibile tutto l'anno, valorizzando le bellezze e le potenzialità del proprio territorio al di fuori dei tradizionali itinerari. Ed in questo senso l' "MXGP Sardinia" rappresenta un'occasione unica per tanti appassionati per scoprire Oristano ed il suo entroterra, un territorio di grande storia e di enormi potenzialità, a dimostrazione ancora una volta, dell'imprescindibilità dei grandi eventi sportivi nell'ambito di un'efficace politica di promozione e valorizzazione della Sardegna in tutte le sue componenti.

Gianni Chessa

Assessore al Turismo, Artigianato e Commercio

Buon divertimento a Tutti!!! W lo SPORT!!!!!!

Bruno Perra

Presidente CONI Sardegna

Amici sportivi, cari lettori, anome del motoclub MotorSchool Riola, della Regione Sardegna e del Comune di Riola Sardo, vi do il benvenuto all'edizione del Gran Premio di Sardegna 2021.

E' la prima volta nella storia del Motociclismo Isolano che viene ospitato un Campionato del mondo di Motocross, e questo per il nostro club fondato nel 2002, è motivo di grande orgoglio. Desidero ringraziare il presidente di INFRONT Group Giuseppe Luongo e il Presidente della Federazione Motociclistica Italiana Giovanni Copioli, che hanno permesso tutto ciò. La nostra pista , collocata in un compendio dunale a pochi chilometri dal mare è da anni apprezzata dai principali Teams di motocross per il suo fondo sabbioso piuttosto difficile da interpretare che la rende unica nel suo genere. I collegamenti sono facili e veloci grazie alla SS 131 cioè la principale rete stradale Sarda che passa a pochi chilometri dal circuito, così come la rete ferroviaria e la presenza in Regione di numerosi aeroporti. Gli spazi ricavati all'interno del circuito offrono agli appassionati una vicinanza all'azione che permette loro di godere da vicino il grande spettacolo del motocross. Questa edizione della MXGP a Riola Sardo sarà ancor più avvincente perché in pista avremo accanto ai big della MXGP e MX2 , le promesse della EMX 65 e 85 cc. provenienti da tutta Europa . Sarà l'occasione per tifare i nostri beniamini, in particolare Antonio Cairoli e Mattia Guadagnini impegnati nella rincorsa al traguardo mondiale che godranno del calore del pubblico Sardo così come tutti i piloti Italiani presenti..Mi preme ringraziare tutte quelle persone che in questi anni hanno collaborato in seno al nostro club per far sì che il nostro diventasse realtà.

Un ringraziamento particolare alla Giunta Regionale della Sardegna che ha creduto nel progetto, al Comune di Riola Sardo che con noi e BProm, hanno lavorato alla organizzazione di un evento del quale spero conserverete memoria.

Buon Gran Premio di Sardegna a Tutti .

Guido Fulvio Maiorca

Presidente moto club Motor School Riola
